SUBJECT
OBJET

A search of the various indexes and logical sources in our custody has produced the following references to Rogers Cotter:

1. Upper Canada Land Petitions (RG 1, L 3)
Application of Rogers Cotter of Toronto Gore, and others, to purchase clergy reserves, 1839 (volume 123, C22/7, reel C-1730).
2. Upper Canada Sundries (RG 5, A 1)
Petition of Doctor Rogers Cotter for the deed to land, Gore of Toronto, 17 July 1835 (volume 156, pp. 85622-85623, reel C-6887).
3. Upper Canada Bonds, Licences and Certificates (RG 5, B 9)
Rogers Cotter - Affidavit of a Medical Diploma from the University of Edinburgh, 1835 (volume 63, p. 671).

Extensive searches both in Canada and in Great Britain have failed to locate comprehensive nominal lists of immigrants arriving in Canada prior to 1865. Only a few scattered lists relating mainly to subsidized British emigration schemes, 1817-1831, have been found. Unfortunately, a search of our nominal index to these lists has proved unsuccessful.
