Report to Parents

192..... 192.....

To the Parent:

This report is sent to you that you may know what progress your child is making in school. The estimates are based on the child's ability, as we see it, and the success with which he meets the school standards. If he is marked C please consult his teachers at once. We wish to help him all we can and we desire your cooperation. "The home and the school should work together for the good of the child".

Reports will be sent to you the Tuesday following the eighth, fourteenth, and twentieth weeks of the first semester; the eighth and fourteenth weeks of the second semester; and on the last day of school. Unsatisfactory work which develops within those intervals will be reported to you on blanks prepared for that purpose.

Very sincerely yours,

PAUL C. STETSON
