DEDICATION

The Beavercreek piano teachers and students dedicate this concert to the memory of their good friend, colleague, teacher--JEAN MARTIN. Although she is greatly missed, we will always treasure the legacy she left us...her music.

We thank Peace Lutheran Church for the opportunity to present this program in their sanctuary, using the new grand piano--which was purchased, in part, as a memorial to Jean.

Following the program there will be a reception and refreshments in the narthex.

The following teachers had students performing today: Lois Askren, Mary Ann Blazer, Wanda Coalson, Grace Kwak, Peg Oakley, Virginia Oost, Ruth Sawyer, Angie Wickizer and Jan Wolgast.
