My Dear Mr. and Mrs.

Martin

We send you this report that you may know what your child is accomplishing in his school. It tries to tell what success he has had in his studies and what kind of an individual and citizen he is becoming so far as the teacher knows him. If he is not succeeding, this report and a supplementary sheet will indicate the reasons as we see them.

A report of this kind cannot take the place of a personal conference with parents. This is especially true in cases where the child is not succeeding or is not happy in his school. You are urgently invited to come to the school for such conferences.

If your child is frequently absent, he loses his time, his lessons, his interest, and possibly, his promotion.

THE VALUE OF THIS REPORT WILL BE GREATLY INCREASED IF YOU STUDY IT CAREFULLY WITH YOUR CHILD.
