Dear Aunt Tessie

I know I am rather late in extending my deepest sympathy to Alet and you.

I was so pleased to be able to talk with Jimmy and Jean. Jimmy I do not remember so well, but he is a very handsome boy and you must indeed be very proud of him. Jean is just as sweet and

~~So~~ lovable as ever and very, very attractive.

I saw so many at the funeral I had not seen in years, and everyone looked so well.

Friday of last week I received a Christmas card from Aunt Maggie York, she seems to be well, and still able to take care of herself. She is a wonder.

Junior is going into the hospital tomorrow. He has a Hernia and will be operated on to

have it put back in place,
he has a leave of absence
from school until Feb.

I saw Betty and her
baby last Wednesday, I
suppose they have left
for Canada now. He is
a grand baby, so big
and strong. He must
look a lot like Carlos.

I do not feel I have
any right to ask you, but
I thought if you have a
picture of Buddy around
the house, that perhaps
you could spare, do you
think you could send it

to me. I would appreciate
it so very much.

I will have to stop
now, and help my young-
sters with their home-
work, and get them in
bed, but try and write
to me I would enjoy hear-
ing from you.

My regards to all
the other members of your
family and I trust they
are well.

Love
Peg.

P.S. I sincerely hope your
shoulder is getting better.
